Experience & Education.

Build is my passion and my profession. My experience revolves in around building great products, companies and relationships. I am an appasionate software developer and business man.

Experience.

Mentor and Teacher in Ruby on Rails - MakeitReal.camp

2017 - Currently

Ruby on Rails physical bootcamp teacher developed by **MakeitReal** in the city of Medellín. It has a duration of 10 intensive weeks, for a total of 180 hours approx. Is performed currently 3 times a year.

CTO & Co-Founder - HelpCode.co

2017 - Currently

New startup developed with the support of **Apps.co** and the mentorings of **SocialAtom**. I'm the product developer and CTO. This startup is focused on providing mentoring by Senior developers to Junior Developers. It also provides support for removing bugs of code.

CTO & Founder – FloresyMas.com (Bogotá)

April 2013 - October 2016

I founded a startup call [FloresyMas.com](#) , which has received so far more than \$350,000 USD of investment by the Venture Capital Fund [Velum Ventures](#) . I'm currently a partner, maintaining a important shareholder and being a member of the Board of Directors. The company currently has annual sales of 1.000 million COP (\$360.000 USD), and has a presence in Bogotá, Medellín, Cali and Bucaramanga. Here are some press mentions at [El Tiempo](#) , [Pulso Social](#) and [The Nex Web](#) about [FloresyMas.com](#)

CTO & Co-Founder – Tuttores.com

July 2012 - March 2013

Supported by the Silicon Valley Startup Accelerator call [Founder Institute](#) , and being the most outstanding idea in the first batch of this accelerator in Medellin, was my first startup and my first failure. It was about one platform to connect American students with Latin teachers who they will need help with Mathematics, Physics and Chemistry. I'm currently i find in plans to re-launch it.

Education.

EAFIT - Economist

2009 - 2010 (4 Semesters)

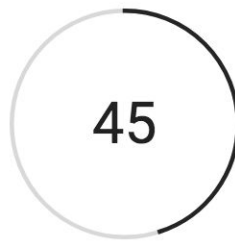

I completed 4 academic semesters in EAFIT of the pre-degree in Economics. Did'nt finish my studies due to the lack of affinity with the career.

University of San Martin - Business Administration

2005 - 2008

Graduated in Business Administration from the University of San Martin headquarters Sabaneta.

Language Skills.

English

French

Let's talk about your project.

I am currently available to discuss your project, analyze the value i can bring, the goals i can help you achieve and the development that we will have as professionals.
